**New Mexico State University**

# Why Assessment & Evaluation?

**BE BOLD.** Shape the Future.

# Value of Assessment/Evaluation

- An opportunity to study ourselves, programs, and outcomes
- Continuous Improvement
  - What do we want to achieve/accomplish
  - How well are we doing?
  - What do we want to continue doing or change as a result?

# Expected Outcomes for Assessment Day

- Bringing people together in your units for a professional development experience
- Provide an opportunity for units to have time to consider their outcomes
- Provide an opportunity for units to develop a data strategy
- Provide an opportunity to plan for how to make assessment/evaluation a regular part of the unit's work

# Planning for Assessment Day

## Unit Leaders

- Identify who from your units you wish to participate (4 to 5)
- Identify which programs/services you want to focus upon this spring
- Identify what data, if any, you want to bring or have us generate

## Office of Student Success Personnel

- Plan professional development activity
- Plan small group activities
- Generate data if needed
- Provide lunch
